ADJUDICATOR'S REPORT

Points awarded (Max 100)	REMARKS
80	<u>OLD MILL STREAM</u> : A great sense of

well unified breathing and phrasing. Love that I can hear the parts clearly - though not all of the close harmony chords locked as well as they could. Good, clear diction. Well done.

IF YOU KNEW SUSIE: Good contrast of sound and colour. Faster speed meant I lost some of the text clarity (in this acoustic!). Great communication and animation with more solid tonal security. Very entertaining performance. Nicely sung!
